TEACHERS GO TO QUAKER CITY.

Mexicans Visit Vocational Centers and McKinley M. T. School.

After a trip believed to have been a great success from every point of view, the Mexican teachers who have been visiting public schools and other educational institutions of Washington during the last few days left this morning for Philadelphia. In addition to the McKinley Manual Training School, the teachers visited a number of vocational centers yesterday. The teachers, during their stay here, made arrangements with the United States bureau of education to keep in touch with it in such matters as may have interest for them.

Pennsylvanians to Elect Officers.

Officers are to be elected at a meeting of the Pennsylvania Society of Washington Saturday evening, at 8 o'clock, at the Pennsylvania Hotel, 11th and E streets northwest. Representative W. W. Grist of Lancaster is scheduled to speak.

Held for Mental Observation.

Joseph Levy, seventy years old, who gave his address as the Ansonia Hotel, New York city, yesterday afternoon was arrested by Detective Patrick O'Brien and charged with insanity. He came here two weeks ago, he said, and registered at a hotel on Pennsylvania avenue. His telephone messages and letters to persons in public life proved so annoying that the police deemed it advisable to take charge of him. He was taken to Washington Asylum Hospital for observation as to his mental condition.

Hymn of Hate

It makes no odds if people hate you, if they malign you and berate you; for if you're walking circumspectly, and doing your devoir correctly, what people say will never hurt you, or knock the polish from your virtue. Let people hate you, if that action affords them solid satisfaction. It's when you hate yourself, my neighbor, that hatred breeds, as with a saber. When I left home this morning, growling, and showed the folks a visage scowling, and spoke no word that they might treasure, I spoiled for them the whole day's pleasure. That's why I hate myself so deeply, that's why I hold myself so cheaply, and when one hates himself like blazes, he can't be soothed with cheer-up phrases. And every time we are descending to doing things that need defending, remorse is in our bosoms grating; we know the bitterness of hating. WALT MASON.

GIFTS FOR THE NEEDY.

Three Thousand Being Distributed in Institutions Today.

Poor-stricken patients in the hospitals and the needy throughout the city will have their hearts gladdened today, when they will be recipients of 3,000 gifts donated by the District branch of the Needlework Guild of America. Included in the articles are bedquilts, heavy wearing apparel, stockings, socks, dressing gowns, towels and linen material. Each gift is new and given because of its usefulness. The garments were arranged for distribution yesterday at the rooms of the Chamber of Commerce. The guild will make preparations this winter to offer relief to European sufferers as soon as word comes from its national headquarters in Philadelphia. Considerable money was sent to Europe last year to give aid in stricken countries. The annual meeting of the branch took place yesterday afternoon, when the past year's work was brought before members in the form of reports.

FACTS GO TO CONGRESS.

Secretary Redfield Sends Data on Capizing of the Eastland.

Testimony taken in the inquiry following the capizing of the steamer Eastland at Chicago, together with the recommendations of the board of inquiry and the letter of Secretary Redfield sent to President Wilson last August, today were forwarded to the President of the Senate and the Speaker of the House of Representatives for such use as Congress cares to make of them. The testimony makes a volume about five inches thick of legal size paper.

There is no comment whatever in the letter transmitting the data to the President. Secretary Redfield said that he had informed the President of the House of Representatives for such use as Congress cares to make of them. The testimony makes a volume about five inches thick of legal size paper.

These Suits Have the Value That Should Sell for \$30 and \$35

There is really a wonderful opportunity in our store right now for men who wish the highest class of clothing that can be produced.

We except no manufacturer and no line of clothing when we say that the suits offered here today at

\$19.75

are simply unbeatable in style, in the quality of materials, and in their hand-tailored making.

You may put on one of these Suits with absolute certainty that you are wearing garments having a recognized \$35 value, and the garments will show it in every line and feature.

It's the clothing for those who want the best—the highest quality at a very moderate price.

The different models are appropriate for both the young and the older men, but we wish to mention in particular the latest two-button, double-breasted style which can be found in but very few, if any, other shops.

Then a Wonderful Value in Overcoats for

\$15.00

First, remember that these are our own regular \$20 and \$22.50 Overcoats—selling regularly at those prices since the season opened, but we have nearly 400 of them still in stock and the low price is to bring a rush.

This particular model is the best all-round, medium-priced Overcoat shown in Washington.

It has the snap and style demanded by the young man—but it's not a freak model, and is perfectly appropriate for the older men.

It's a wonder for giving good lines to the figure of the man who is heavy set, or even unusually stout.

The style is a straight hanging back—but not full—just roomy and comfortable—a model that will not be out of style in a year or two.

It is made of handsome materials—strong faced goods from which the finish will not cut off and show signs of wear.

You
